CITY OF KIRKLAND NOTICE OF DECISION

MARCH 6, 2015

Permit application: Faust Short Plat (<u>SUB14-02272</u>)

Location: 6047 108th Avenue NE

Applicant: Moira Haughian, The Blueline Group

Project description: Subdivide a 16,201 square foot parcel into 2 single family lots in

the RS 8.5 Zone utilizing the small lot provisions of Kirkland Municipal Code Section 22.28.042. The applicant is proposing to modify the existing house and deck on proposed Lot 2 to meet the required structure setbacks and FAR requirements. The Short Plat does not include an Integrated Development Plan.

Decisions Included: Short Plat (Process I)

Project Planner: Ron Hanson, Planning Consultant

SEPA Determination: Exempt

Department Decision: Approval with Conditions

Eric Shields, Director

Department of Planning and Community Development

Decision Date: March 4, 2015 Appeal Deadline: March 20, 2015

Affected property owners may request a change in valuation for property tax purposes notwithstanding any program of revaluation.

How to Appeal: Only the applicant or those persons who previously submitted written comments or information to the Planning Director are entitled to appeal this decision. A party who signed a petition may not appeal unless such a party also submitted independent written comments or information. An appeal must be in writing and delivered, along with fees set by ordinance, to the Planning Department by 5:00 p.m., March 20, 2015. For information about how to appeal, contact the Planning Department at (425)587-3225. An appeal of this project decision would be heard by the Hearing Examiner.

Comment to City Council: If you do not file an appeal, but would like to express concerns about policies or regulations used in making this decision or about the decision making process, you may submit comments to citycouncil@kirklandwa.gov. Expressing your concerns in this way will not affect the decision on this application, but will enable the City Council to consider changes to policies, regulations or procedures that could affect future applications.
